Thank you for the opportunity to comment on the Draft Guidelines for the Prevention of Intravascular Catheter-Related Infections – see attached file Greg_Art_Comments_re-CDC_CRBSI_Draft_Guidance_091203.pdf.

In the interest of time and efficiency, I have copied each of the committee members for which I could find an email address and attached all files referenced in my comments.

Should any of the members wish to speak with me about any of my comments either over the phone or in person, I would be happy to do so. My office and cell phone numbers are below.

Sincerely,

Greg Art
